Nothing But Thieves - Broken Machine (Deluxe) (2017) [320kbps] mobi.Gabby Giffords was sworn in again today, and she got to introduce former Congressman Jesse Jackson Jr., who in fact introduced himself as Jesse Jackson Jr., a.k.a. the son of Rev. Jesse Jackson, the civil rights leader who was president of the Rainbow PUSH Coalition. The Good Reverend invited the Good Reverend over to the speaker box to introduce him. He said he grew up in a house where it was quite ordinary for a father to allow his kid to be president of his campaign, and now they get to meet and he would like them to know, "You all are the best public servants." That's a line all the Democrats are going to trot out if they're lucky. But before the speeches, the Reverend preached about not judging people who are just trying to get the jobs they're entitled to and not screwing up their lives. Because of the "right to work" laws, they can't afford to live in his family's house anymore, so they're trying to get houses in other counties, but their new neighbors are racists, and they're the ones taking their jobs. This was all very civil. The exchange between Gabby and Jackson was also civil, both of them seeming to acknowledge the gravity of the moment, and that they had a unique opportunity to help people. Like the postscript in the last paragraph of this article says: Gabby and Jesse both laid out the national priorities that they will put in their offices. Gabby vowed to continue her work with the spouses and families of gun violence victims, and to serve those who "cannot speak for themselves." After looking down at her hands, she said, "Nothing more than the work that you see here is to be expected. This is a movement, but it's a movement of people." Jackson was a little more emotional. "As an African American father, I think the work that you do and the leadership that you bring is necessary," he said. He also said that "we're not going to be able to over-correct this problem," and that the problem is, "Our country is coming apart at the seams." It was a nice tribute, and an
